

## IR Indoor/Outdoor Camera LN-749A Series

### Technical parameters

| MODEL                 | LN-749A          |
|-----------------------|------------------|
| Image Sensor          | SONY 1/3" CCD    |
| Scanning System       | PAL/NTSC         |
| Horizontal Resolution | 480TVL           |
| Minimum Illumination  | 0Lux( IR ON)     |
| S/N Ratio             | ≥48dB            |
| AGC                   | Auto             |
| White Balance         | Auto             |
| IR Led Number         | 36PcsXØ 5 IR LED |
| IR View Distance      | 25m              |
| Lens                  | 3.6mm            |
| Power Supply          | DC12V            |
| Operation Temperature | -10℃~50℃         |
